Keep Scrolling to Discover Fascinating Facts

Octopuses have 3 hearts & blue blood.

2 hearts stop beating when they swim.

Keep Scrolling !

Just a few more amazing facts to go!

Smell is deeply tied to memory.

That's why a scent can bring instant flashbacks.

Your brain has 100 trillion+ connections.

More than stars in the Milky Way.

Dogs can smell your emotions.

They sense changes in hormone levels like cortisol and adrenaline.
